Connection Guide

1. Long press the "M" button for 2 seconds to turn the device on/off. The blue LED will flash, and you will hear the voice prompt "Power on."
2. The device will automatically enter pairing mode after powering on. The red and blue LEDs will flash alternately. Search for "PDLFSTK08" to pair with a Bluetooth device.
3. After successful connection, the blue light will flash every 3 seconds. If disconnected, it will return to pairing mode.
4. When powered on, the device will automatically reconnect to the last paired Bluetooth device.
5. The device will automatically turn off after 5 minutes if there is no Bluetooth connection.

Audio Mode

1. Press the "V" button once to increase volume. You'll hear a prompt when the maximum volume is reached.
2. Long press the "V" button to decrease volume.
3. Press the "M" button once to Play/Pause.

Call Mode

1. Press the "M" button once to answer a phone call.
2. Press the "V" button once to reject a phone call.
3. Press the "M" button once to hang up.

Voice Assistant

Double-tap the "M" button to activate the voice assistant.

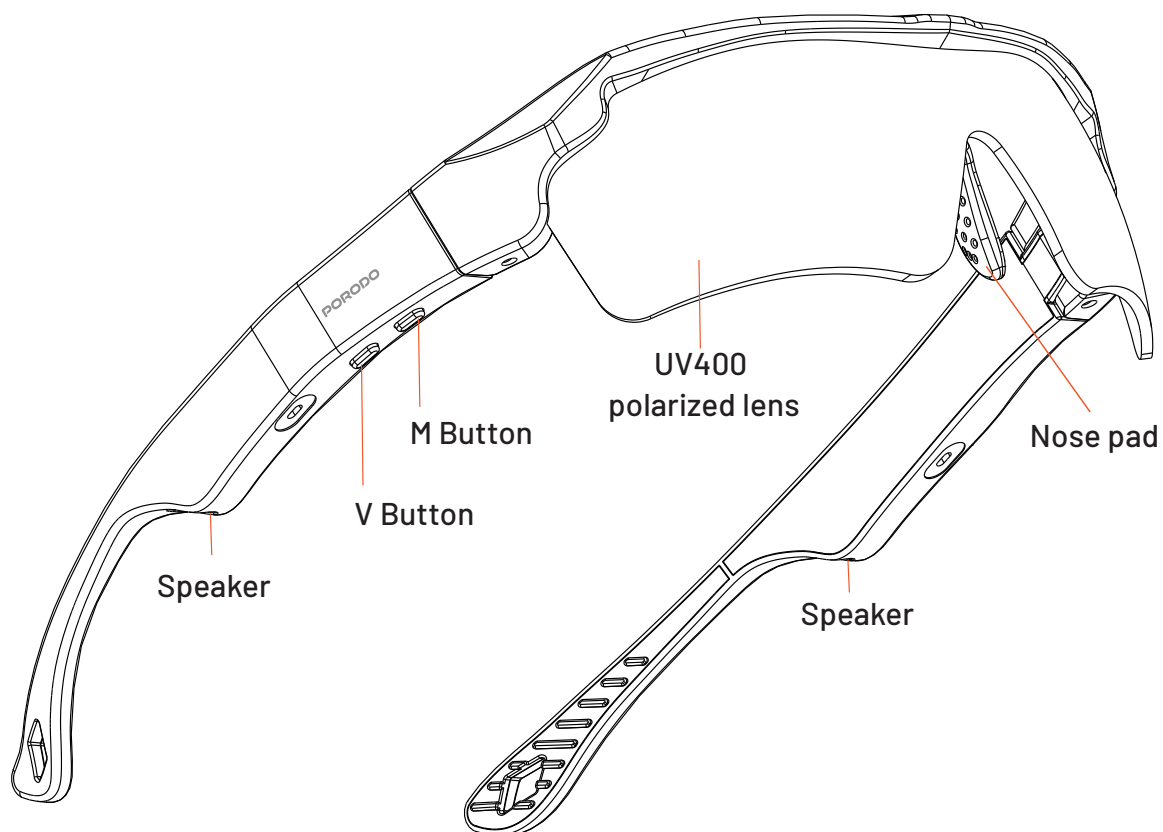

Charging Mode

1. Charging time is approximately 1.5 hours. When the battery is low, you will hear a voice prompt saying "battery low."
2. The low battery alarm is triggered every 60 seconds. The red light will flash twice.
3. The red LED will light up while charging, and the blue LED will turn on when fully charged.
4. The device cannot be powered on while charging.

Specifications

Battery Capacity	145mAh
