Precautions

1. Do not treat this product violently or squeeze it with heavy objects. Keep it away from high-temperature and high-humidity environments.

2. Keep away from Wi-Fi routers and other high-frequency transmitting equipment, as this may affect the signal reception, causing sound distortion and disconnection.

3. Use the product in an effective environment (within 15–10 meters), and ensure there are no physical obstructions (such as walls) between the Bluetooth device and the headset.

4. To prevent the battery from failing to charge due to dormancy, keep the charging case above %20 capacity.

5. Keep the product away from children and pets to avoid accidental injury or ingestion of small parts.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.
