Product Overview

The Green Lion Rayna AI Smart Glasses combine innovation, comfort, and intelligence in one sleek design. Equipped with 8MP dual cameras, these glasses capture 1080P Full HD videos and high-resolution photos, letting users document life effortlessly. They feature real-time translation, AI voice assistant integration, and instant smart sync for seamless connectivity and sharing. With up to 10 hours of battery life, they're perfect for all-day use. The interchangeable lenses provide glare reduction, blue light filtering, and eye comfort, making them ideal for both indoor and outdoor wear. Designed for those who live in motion, the Rayna AI Smart Glasses allow you to touch, swipe, and capture moments while staying connected and stylish.
