Porodo Soundtec

MARLO
Portable Wireless Speaker

SKU: PDSTCQL2030BK

# Table of Contents

Before using the product, please carefully read this User Manual to guarantee correct usage and keep it secure for future reference.

▌Safety Precautions

1. Avoid exposing the speaker to water or moisture unless it is rated for water resistance. This can cause electrical damage or malfunction.

2. Do not open or disassemble the speaker, as it may expose you to dangerous components and void the warranty.

3. Keep the speaker away from extreme heat or cold (e.g., direct sunlight, high temperatures, or freezing conditions) to prevent damage to the internal components.

4. Always use the charging cable provided with the speaker or one recommended by the manufacturer to ensure safe charging.

5. Never leave the speaker charging unattended for long periods, especially overnight, to avoid overheating or potential battery hazards.

6. Do not place the speaker near strong magnetic fields, as this can interfere with the speaker's functionality.

7. Ensure that the speaker is used in a well-ventilated area to prevent overheating. Avoid covering the speaker or blocking its vents while in use.

8. Listening at high volumes for extended periods can cause hearing damage. Use the speaker at moderate volume levels and take breaks.

9. Do not drop or subject the speaker to strong impacts or shocks, as this could damage the internal components and reduce its lifespan.

10. Always keep the speaker out of the reach of small children to avoid choking hazards from small parts or potential electrical risks.

11. To maintain the longevity of the speaker, protect it from physical impacts or drops that could damage the exterior or internal components.

Product Overview

Function Button

Power Switch

LED Indicator

Speaker

Specifications

Battery Capacity	350mAh
Working Time	5H (50% Volume), 1H (100% Volume)
Bluetooth Version	V5.4
Speaker Power	3W
Product Size	93 x 93 × 133mm
Product Weight	248g
Model Number	PDSTCQL2030

Charging the Speaker

1. Using the included Type-C USB cable, insert the jack into the charging port on the bottom of the unit and plug the USB connector into a computer USB port or a 5V/1A (minimum) adapter (adapter not included).
2. The LED indicator will turn red while charging and will turn off once the speaker is fully charged.

Powering the Speaker

1. Slide the power switch to the ON position on the back of the unit.
2. Long press the function button to power on the speaker. A tone will sound, and the speaker will enter Bluetooth pairing mode.
3. Ensure the Bluetooth function on your device is turned on. Search for the speaker named "ST_Marlo" in your Bluetooth settings.
4. If the Bluetooth device does not pair within 5 minutes, it will automatically enter sleep mode. The indicator light will remain unaffected when the speaker is in sleep mode.
5. Start playing music on your device, ensuring it stays within 33 feet of the speaker.
6. Adjust the volume on your device to a comfortable level.
7. Long press the function button again to power off the speaker.

Light Settings

1. Slide the power switch to the ON position.
2. Short press the function button to turn on the LED light.
3. Short press the function button again to turn off the light.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
