## Product Introduction

The Spin Beat Fidget Spinner Speaker seamlessly combines fun and functionality, offering an innovative design that lets you enjoy music on-the-go while having a fidget spinner for stress relief. Featuring high-quality Bluetooth 5.3 connectivity, a 600mAh Li-ion battery for long-lasting playtime, and an IPX6 waterproof rating, this compact speaker ensures a durable and enjoyable listening experience. Whether you're relaxing, working, or on a break, the Spin Beat brings the perfect blend of entertainment and convenience to your daily routine.

## Components

## Button Instruction

1. Long Press For 2 Seconds: To power on or off the device.
2. Short Press: During music playback, a short press will pause the music, and another short press will resume playback.
3. Short Press: When receiving a call, a short press will answer the call, and a short press during the call will hang up.
4. Long Press: To increase the volume.

5. Short Press: To skip to the next track.
6. Long Press: To decrease the volume.
7. Short Press: To skip to the previous track.
8. TF Card Slot: When a TF card is inserted, the device will prioritize switching to TF card mode and play music from the card; after removing the card, it will automatically switch back to Bluetooth mode and enter pairing mode.
9. USB-C: During charging, the red indicator light remains on continuously. When the battery is fully charged, the red indicator light will turn off.
10. Colorful Light: Upon powering on, the colorful light will automatically illuminate, and the device will emit a Bluetooth pairing prompt tone, indicating that it has entered Bluetooth pairing mode.
