Product Overview

The Porodo MagExtend MagSafe Phone Holder is designed to securely hold your phone with a powerful magnetic grip. Featuring a vacuum suction base, it ensures a stable and secure attachment to any flat surface. The holder allows for both horizontal and vertical positioning, providing flexibility for various viewing angles. With its 185mm extended arm, the holder offers an adjustable reach, making it easy to position your phone. The one-handed operation makes it convenient for quick adjustments, and the adhesive base ensures that your phone stays steady even in different conditions. This product is ideal for maintaining a secure hold while using your phone hands-free.

Instructions for Use

1. Prepare the Surface: Clean the surface where you plan to mount the phone holder. Ensure it is smooth and free of dust or debris for a secure grip.

2. Attach the Holder: Place the vacuum suction base on the cleaned surface. Press firmly to create a secure attachment.

3. Adjust the Arm: Extend the 185mm arm to the desired length. You can rotate the arm to adjust the viewing angle and position the phone holder in either a horizontal or vertical orientation.

4. Attach Your Phone: Place your MagSafe-compatible phone onto the magnetic surface of the holder. The powerful magnetic grip will securely hold the phone in place.

5. One-Handed Operation: If you need to adjust the position of the phone, simply use one hand to reposition it on the holder.

6. Remove the Holder: To detach the holder, gently lift the suction base from

the surface. If needed, clean the suction area before reattaching.

7. Regular Maintenance: Clean the suction base and arm regularly to ensure optimal performance and adhesion.

Safety Precautions

1. Ensure the surface where the phone holder is mounted is clean and smooth to guarantee proper adhesion and stability.

2. Avoid placing the holder on textured, curved, or uneven surfaces, as this may affect its performance.

3. Do not use the phone holder in areas with excessive moisture or extreme temperatures, as this could damage the adhesive base or affect its grip.

4. Always check that the phone is securely attached to the holder before use to prevent accidental falls.

5. Do not attempt to disassemble or modify the product.

6. Keep the phone holder out of reach of children and pets to avoid potential hazards.

7. Ensure the holder is not obstructing your view or interfering with driving if used in a vehicle.

8. Regularly clean the suction base to maintain its effectiveness and avoid any buildup that may affect its grip.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.
