Product Overview

The XCommand Carbon Fiber Gaming Table is a sleek, durable desk designed to enhance your gaming setup. Made from high-quality carbon fiber, it features customizable RGB lighting, a spacious surface, and built-in holders for headphones and a cup. With heat-resistant properties, this table ensures protection for your equipment while providing ample space for all your gaming essentials. Its patented design offers both style and functionality for an organized and immersive gaming experience.

Specifications

| | |
|------------------------|----------------------------------|
| Material | Carbon Fiber, Textured Chipboard |
| Desktop Thickness | 18mm |
| Product Weight | 24.3kg |
| Model Number | PDX122 |
| Product Dimension | 740 x (1000-600) x 1400H |
| Remote Control: | |
| Battery Capacity | 130mAh |
| Input/Output | DC 5V |

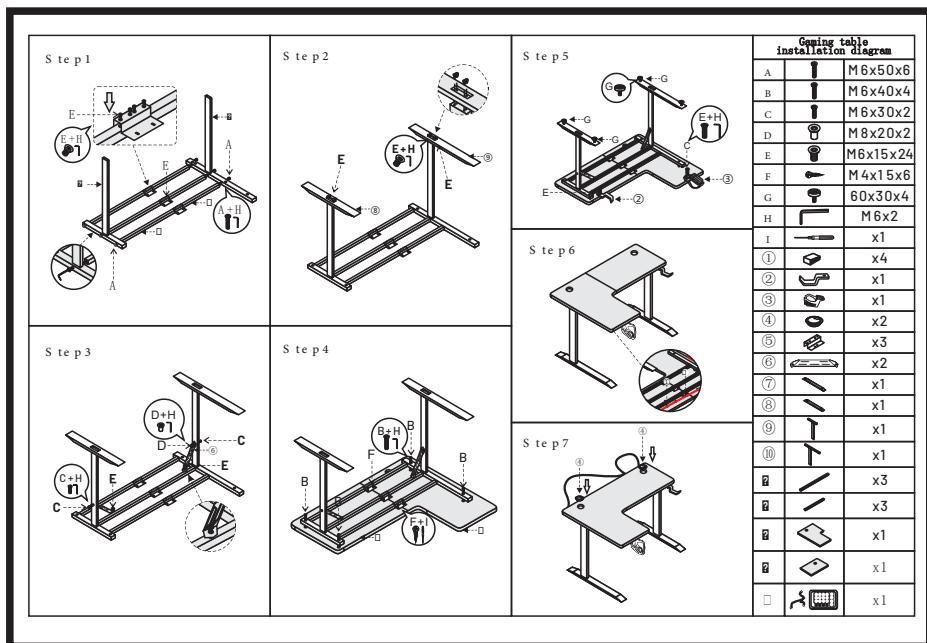

Product Features

- 1. Carbon Fiber Material:** The table is made from durable carbon fiber, providing a strong and long-lasting surface.
- 2. Customizable RGB Lighting:** The table features adjustable RGB lights, allowing you to create a vibrant and immersive gaming atmosphere.
- 3. Heat-Resistant Surface:** The heat-resistant surface protects your gaming equipment from heat damage during extended use.

4. **Headphone Mount:** A built-in headphone mount keeps your headphones organized and easily accessible.
5. **Cup Holder:** The table includes a cup holder to securely store drinks and prevent spills while gaming.
6. **Spacious Surface:** The table offers ample space for all your gaming devices and accessories, keeping your setup neat and organized.
7. **Patented Design:** The table's patented design ensures a unique, functional structure that enhances your gaming experience.
8. **Remote Control:** The included remote control lets you easily adjust the settings and lighting without leaving your seat.

Installation Instructions

This diagram shows simple, step-by-step instructions to help you assemble the XCommand Gaming Table. It explains how to connect the frame and attach the tabletop, along with a list of the parts and tools you will need. Follow each step carefully and make sure all parts are tightly secured. When adjusting the lighting, keep the remote control close to the receiver.

Care and Maintenance

1. To clean the table surface, use a soft, damp cloth. Avoid using harsh chemicals or abrasive materials that may damage the surface.
2. It is important to regularly inspect the table for any loose screws or parts. Tighten them as necessary to ensure the table remains stable and secure.
3. Keep the remote control and electrical components dry at all times. Additionally, ensure these parts are kept free from dust to maintain optimal performance.

Safety Precautions

1. Ensure the table is placed on a flat, stable surface to prevent it from tipping over.
2. Keep the table away from sources of water, heat, or direct sunlight to avoid damage to the materials and electrical components.
3. Do not overload the table with excessive weight, as this could cause instability or damage to the structure.
4. Handle electrical components, such as the RGB lighting and remote control, with care. Always turn off the power before performing any maintenance or adjustments.
5. When adjusting the height or other features, make sure all parts are securely fastened to prevent injury or damage.
6. Keep small parts, screws, and tools out of reach of children to avoid accidents.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at <https://www.porodo.net/warranty> and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
