Product Overview

The Porodo Magnex 20000mAh MagSafe Power Bank offers reliable, fast charging in a compact design. With a 20W fast-charging USB-C and Lightning input/output, it ensures efficient and quick power delivery to your devices. The power bank also features a 15W wireless charging function, providing convenient charging without the need for cables. Its universal compatibility ensures it works seamlessly with a wide range of devices, making it an ideal choice for on-the-go charging. The sleek design and built-in display showing the battery percentage make it both functional and stylish.

Specifications

Battery Capacity	20000mAh / 77Wh / 3.85V
USB-C Input	5V/3A, 9V/2A, 12V/1.5A, 18W Max
Lightning Input	5V/2A, 9V/2A, 12V/1.5A, 18W Max
USB-C Output	5V/3A, 9V/2.2A, 10V/2.25A, 12V/1.67A, 20W Max
Lightning Output	5V/3A, 9V/2.2A, 12V/1.67A, 20W Max
Wireless Output	5W, 7.5W, 10W, 15W Max
Operating Temperature	-10°C ~ 60°C
Product Weight	310g
Product Size	32.3 x 64.2 x 97.3mm
Model Number	PDPBFCH099

Product Features

- a.** 20000mAh Capacity: The high-capacity battery ensures extended usage, providing enough power to charge your devices multiple times before needing a recharge.
- b.** MagSafe Compatible: The power bank supports wireless charging up to 15W for MagSafe-compatible devices, providing a convenient and cable-free charging experience.
- c.** 20W Fast Charging: With 20W fast charging capabilities through both the USB-C and Lightning ports, this power bank delivers quick and efficient power to your devices.
- d.** USB-C & Lightning Ports: Featuring both USB-C and Lightning input/output ports, the power bank offers versatile charging options, making it compatible with a variety of devices.
- e.** Digital Battery Indicator: The built-in digital display shows the remaining battery percentage, allowing you to easily track the power bank's charge level.
- f.** Universal Compatibility: This power bank works with a wide range of devices, including smartphones, tablets, and more, ensuring it can meet all your charging needs.
- g.** Compact Design: Despite its powerful performance, the power bank has a small and portable design, making it easy to carry and ideal for travel.

Button Functions

- 1.** Short Press: Press the button once to check the battery capacity.
- 2.** Double-Click: Press the button twice to turn off the digital battery display.

Charging Instructions

- 1.** Connect the Charging Cable:
 - 1.1.** For Type-C Charging, use the provided Type-C cable to connect to the Type-C port.
 - 1.2.** For Lightning Charging, use your own Lightning cable to connect to the Lightning port.

1.3. For Magnetic Charging, align the power bank with a compatible magnetic charger to secure the connection.

Note: When charging multiple devices simultaneously, the charging speed will be limited to 5V/3A Max.

2. Monitor Charging Progress:

The digital battery indicator will show the current charging status.

3. Disconnect When Fully Charged:

When the display shows 100 %, the power bank is fully charged. Please disconnect the charger to avoid overcharging.

Warning:

1. If the power bank becomes warm, unplug it immediately from the power source or your device.

2. Allow the power bank to cool down before using it again.

Safety Precautions

1. Avoid Overcharging: Unplug the power bank once it is fully charged to prevent overcharging and potential damage.

2. Temperature Range: Keep the power bank in a well-ventilated area. Do not expose it to

3. Keep Away from Water: Avoid using the power bank in wet or damp environments. Keep it dry at all times.

4. Do Not Disassemble: Do not attempt to open, repair, or modify the power bank. This may cause damage or malfunction.

5. Avoid High-Impact Exposure: Handle the power bank with care. Avoid dropping or subjecting it to high impacts.

6. Use Certified Cables: Only use certified cables and chargers for charging the power bank and devices.

7. Monitor During Charging: Always monitor the power bank while it is charging. If it becomes excessively hot, unplug it immediately and allow it to cool down.

8. Keep Out of Reach of Children: Ensure that the power bank is stored safely and out of reach of children to prevent accidental damage or injury.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at [**https://www.porodo.net/warranty**](https://www.porodo.net/warranty) and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
