Safety Precautions

1. If the device is not used for an extended period, please charge it at least once every 3 months.
2. It may generate slight heat during charging, which is normal as long as the temperature remains below 55°C.
3. Keep the device dry at all times and avoid cleaning it with chemical agents.
4. Children should use this device only under adult supervision.
5. Do not drop, disassemble, puncture, or expose the device to humid conditions.
6. Avoid using it to charge devices with incompatible current or voltage, as this may cause fire or other damage.

FAQ

1. When the device isn't charging

Ensure the power is turned on and that there is sufficient charge in the device. If the issue persists, use compatible charging components.

2. When it's not charging your phone

Confirm the device is powered on and has enough battery.

If everything seems correct, please contact our sales department for assistance.

Note: The lightning icon activates automatically during wireless charging.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Green Lion** website or shop come with a 24-month warranty.

When you buy **Green Lion** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at <https://www.greenlion.net/warranty> and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
